MEMORANDUM FOR: Colonel Stanley J. Grogan  
Assistant to the Director

SUBJECT: Dissemination of the DCI Speech, "The Challenge  
of Soviet Power"

25X1A8A 1. Attached hereto is memorandum from [redacted]  
[redacted] to Mr. [redacted], which I  
discussed with you on the telephone this morning. I think Mr.  
25X1A9A [redacted] idea is an excellent one, and 200 copies of the Director's  
speech should take care of the Division's needs.

25X1A8A 2. You mentioned the fact that approximately 80 copies had  
been sent to various universities, and if I could have a list of  
the recipients, it could well save a lot of unnecessary leg work  
on the part of [redacted] As you pointed  
out, copies of the speech are not in pamphlet form but I feel sure  
that the offset printed copies which you have will serve our  
purposes.
